

## Bollard

SPINOX  
stiff base

SPINOX-M  
soft base

Item	Colour	Width mm	Height mm	Base length mm	Tips length mm	Number of tips /m	Slot spacing mm
SPINOX	inox	100	120	1000	105	60	210
SPINOX-M	inox	100	120	500	105	60	210

**Material:** AISI 304 inox steel

**Features:** The steel multi-pin bollard is available both in rigid base version (SPINOX) and in flexible base version (SPINOX-M) for installation on irregular surfaces. The base must be fixed in correspondence with the slots with sufficient screws or nails to hold the bollard in the desired position.
